The Mason Line

by Chan Mason

We're feeling pretty cocky this week. Our two sons made the Highway Junior Safety Patrol and while this eliminates our last possible chance of ever getting the lawn cut, at least we now have no trouble in getting the young stalwarts up in the morning.

Guess we can't complain too much. We've always nursed a secret desire to direct traffic ourselves. In fact, we're one of those characters who wished he could get on the program, "So You Want to Lead a Band."

Between "The Dimmer View" and "The Dixon Line" we're having a heck of a time trying to convince our even loving spouse that our reporting is altogether honest and truthful. The Dimmer View reports us as chasing the swallows (or swallowing the chasers) at 4 a.m. in San Juan Capistrano and the Dixon Line has distorted the facts to such an extent that it even reported us as consorting with some shady characters in Las Vegas.

Really, fellas, we're just ordinary folks trying to get along. Now Max, if you'd carry on with your Feudin' and Fussin' with the Motor Vehicle Bureau and if Steve will stick to his watercolors (in spite of his canine critics) maybe the atmosphere will clear a bit at home for us. Really, Mama is lookin' at us awful funny like!

Now that the baseball season is over and the Padres are champs of the Coast League we'll have Continued on Page 8

A Message from Your Fire Chief For National Fire Prevention Week

By CHIEF "PAPPY" HENSLEY

Do you know that one in every five fire victims is a child under five? Your child looks to you for protection — don't let him down. For your child's sake, heed this Fire Prevention Week advice:

Never leave a child home alone and always keep matches and lighters beyond his reach. These are two of the major causes of child fire deaths — so help him grow up — don't burn up!

For your further information, did you know that there are a thousand home fires every day? And that most of these are traced to two causes: Thoughtlessness with a cigarette or match, and electrical wiring. So don't overload your circuits.

Don't gamble that your home won't be next to heed this advice from your fire department. Be certain your smoking habits are safe.

More Water for Irrigation District

Lemon Grove, and the rest of the Irrigation District, had 50% more water available for potential use as the bulkhead was removed and Colorado River water flowed through the long awaited second barrel last Sunday.

Dedication ceremonies took place at Escondido as pictured above. Jack Schrade, assembly candidate and Ralph Clayard, present assemblyman of the 80th District.

Ten thousand more acres of land may be irrigated by the district and a breathing spell of 10-15 years is indicated as a result of the new barrel.

PLANS SET FOR GOLDEN AVENUE P-TA CARNIVAL

Carnival Chairman, Mr. Walter McCollum, 7915 Lincoln Ave., was host to the Golden Avenue P-TA Carnival Committee in his home, September 27. Mr. McCollum stated that this year's carnival would surpass previous years in entertainment for the children. Rides, white elephant booth, fun-house, movies, doll clothes, aprons, green thumb booth are just some of the many concessions on the agenda.

In true carnival spirit, popcorn, snowcones, cotton candy will be in effect. For those who choose to eat the evening meal there will be hot dogs, baked beans, hamburgers, tacos, pie a la mode, cake, coffee and pop.

It has been requested by Mr. McCollum, that the mothers of Golden Avenue School donate hand made doll clothes and aprons for the "Gift Shop." Also those that have available, plants, for rooting or transplanting into containers, these will be sold in the "Green-thumb" booth. Slips have been sent home from school requesting many items, but these could be started now.

Volunteers are needed to man the booths and those interested in participating please contact your child's room-mother. The more workers available the more successful the carnival will be.

Committee members present at the meeting were, Principal, Mrs. Evelyn Lauritzen, President of Golden Ave. P-TA, Mr. R. H. Lange, Mrs. Joseph Szalay, Mr. W. H. Apple, Mrs. A. H. Cole, Mrs. L. H. Stumbaugh and Mrs. Michael Palermo.

The date of the next meeting will be announced in the near future.

The Dixon Line

By Friend Dixon

In a recent issue of the News Letter of The California Supervisors Assn., the Tax Committee, of which our Supervisor Dave Bird is Chairman, reports on some of their problems. They are, of course, seeking new avenues of revenue. One of their projects is that of reviewing the County Fairs' revenue and expenditure structure and to explore into the Capital Outlay Programs of County Fairs. Our guess is that these fairs are a pretty expensive luxury.

SALVATION ARMY RETURNS \$1.541 TO GROVE MAN

The \$1,541 cache, hidden in a canvas bag by the deceased wife of a Lemon Grove man, has been returned by the Salvation Army, said Sam Gregic, 6569 Central Ave., this week.

Mrs. Gregic, who died recently, had hidden the money away, saving it without her husband's knowledge. The Salvation Army was given many items, including the canvas bag in which the money had been hidden. It was found by Nelly Brown, Salvation Army worker.

Sam was philosophical about it. "If the Salvation Army hadn't found it, I wouldn't have known Jessie saved it. I should have known better though, because all women hide money away. We were married 42 years and she was better than a bank about money and if I could, I'd marry her over again and let her hide away all the money she wanted."

Sam lives with his daughter, Mrs. Helen Engfelt, who owns and operates Kissel's Restaurant, opposite Monte Hall's place on El Cajon Blvd.

Sam is a retired general market man. He plans to use the money to help defray the expense of his wife's hospital expenses — just like she planned it while she was saving it.

Editor to Sit on TV Panel Saturday

Max Goodwin, editor of the Review, will appear on a television forum Saturday at 4 p.m. The program, San Diego Forum, conducted by Seymour Frances, will be televised over channel 10 (KFSD) and will consider the fringe area problems of Lemon Grove and other areas.

Orin Cope, assistant to the city manager of San Diego, will also be on the panel, as will representatives of Palm City and El Cajon.

EASTERN STAR ELECTIONS WEDNESDAY

San Miguel Chapter No. 579, Order of Eastern Star, will hold annual election of officers, on Wednesday at 8 p.m., in Friendship Hall, Mrs. James Bennett, worthy matron, and Mr. Sidney Morse, worthy patron, presiding. Mrs. Harold Murphy is general chairman.

What's Incorporation?

This series of articles on incorporation will soon end. Questions pertaining to any part of the plan will be answered. Write or Phone HO 6-1168 for additional information.

By RICHARD MILBRODT Part 4 of a Series

What will happen to our schools? Nothing we have had so many questions regarding the future of our many special districts, this may be a good chance to answer the question once and for all. Incorporation will have no effect at all on any of the special districts except fire. The list includes the high and elementary school districts, hospital, fire, water, sanitation and lighting.

It is very likely that the city if incorporated would take over operation of the fire district, but it is not necessary. This since the city, as explained earlier in this series, must by law provide fire protection to its citizens. If the city built and equipped its own station we would then have two fire systems. Conceivably the city could contract for fire protection from the special district, but this would in effect be the same as taking it over. Therefore, for administrative expediency it is likely Continued on page 5

Aid to Grove Area By Red Feather Released by Sutton

A list of the number of individuals who were aided in 1953 by Red Feather agencies was released this week by Robert Sutton, Lemon Grove chairman of the Second Success Drive.

The list includes Lemon Grove and Vista La Mesa and represents a local goal of \$6,000 that is to be collected in the area during the drive.

"Obviously, this many persons helped by these organizations would have cost much more should the community be required to pay for it on 'per call' basis. That makes it the biggest charity bargain you can get for your contribution," Sutton said.

FIRST STEP TAKEN BY MOTOR VEHICLES DEPARTMENT TO AID LICENSING

Last week the REVIEW petitioned Senator Kraft to lend a hand in making the Department of Motor Vehicles a little more functional for the driver who works to earn his living.

The REVIEW requested that the Department be kept open on Monday nights, in line with the downtown stores. No additional personnel would be needed, we felt, because the Department could open at noon on Monday.

The reaction was immediate! Here are the replies in the order they were received. Obviously, this isn't the best arrangement but it is better than none. Maybe the Department will see the advantage of being open one night a week and institute that policy.

Here's what happened:

Mr. Max Goodwin, Publisher

Lemon Grove Review

Dear Max:

My sincere thanks for your letter of September 27 suggesting that the local office of the Department of Motor Vehicles stay open one night a week to accommodate those who can't come in during regular working hours.

Now the fact is that some two years ago Mrs. Beth Bennett instituted an appointment system whereby anyone who calls in advance may have an appointment to transact business between 8 and 9 in the morning and 5 to 7 at night.

This system has been much appreciated by those who have taken advantage of it, but unfortunately it has not been sufficiently publicized. I personally would be grateful indeed if you would devote some space in your newspaper to this appointment system, acquainting your community with the fact that this service is available, and urging them to make use of it.

We hope more people will avail themselves of this appointment system so that its continuation can be justified, and if you agree with me that it is a commendable program, I hope you can give it some publicity which will encourage those who don't know about it to use this service.

Again, thanking you for writing.

Sincerely,
FRED H. KRAFT

STATE OF CALIFORNIA
DEPARTMENT OF MOTOR VEHICLES
FOR IMMEDIATE RELEASE

The State Department of Motor Vehicles is again announcing that Drivers License Examinations by appointment are scheduled at the San Diego office, 310 Cedar Street.

This service has been in effect since May, 1953 and has been well received. Applicants with appointments are not required to wait in line. This system has been highly praised by those who have telephoned in advance for appointment.

Persons wishing to avail themselves of this service may telephone BELmont 3-5153 and state that they wish an appointment for either original or renewal of an operator's or chauffeur's license, even a duplicate of a lost license.

For those who find it impossible to take their examinations during regular office hours may telephone between 8 a.m. and 5 p.m., Monday through Friday, for an after 5 p.m. appointment. Examinations from 5 p.m. to 7 p.m. are limited and can be given by appointment only.

The Dimmer View

by Max Goodwin

An acquaintance of mine, a garbage collector, whose run took him through the more affluent parts of the city in which I once lived, used to observe that the stuff that the well-heeled tossed out, was probably better than the stuff they kept inside.

I thought about the horny handed wisdom of the sanitation department philosopher as I was being forced to leave the Jefferson-Jackson Day dinner Friday night at the El Cortez Hotel. I stayed just long enough to be able to give you a first hand, in person, brawly-eye view of this election's Democrats.

The guest of honor, Sam Rayburn, arrived late, and that held the dinner up an hour. That's a long time for a mob-styled crowd to be milling about the reception room and especially the bar rooms.

In the banquet room my dinner companion introduced himself as a Democrat, a lawyer and the high muck of the Elks. I introduced myself as a Republican and a newspaperman. He asked if there were any good Republicans and I mentioned Ralph Cloyd. He agreed, but took offense at the mention of a few others I named. Because the service was slow we managed to get a lively and heated argument going and finally, a lady, whom I thought to be his companion, said loudly of me, "He looks and talks like a Communist!"

Dr. Ross McIntire happened to be passing nearby, I called him, Continued on page 4

and count the number of persons, groups or organizations mentioned or quoted. The total will be surprisingly large. These little whippers blend into a mighty roar as they are multiplied across the nation. This roar is the sound of "Freedom's Forum . . . Your Newspaper," and this week, National Newspaper Week, its sound should be heeded . . . and appreciated.

AND, ANOTHER THING . . .

All is not beer and skittles in the incorporation proposal, says a Lemon Grove man, and he plans to take the soapbox to prove it.

Clyde E. Malley, bartender and former heavy-weight boxer, who owns his home at 2950 Cypress Ave., is better known as Red O'Malley, the name under which he fought some 120 battles. He claims his biggest battle is yet to come and that's his battle against incorporation.

He is currently a bartender at High 15 Cafe, (old Cafe La Maze) in National City. O'Malley explains his antagonism for incorporation like this: "Many of us

bought homes out here because we wanted to be in the county. We liked the easy, quiet, country life. We were all satisfied. Then business people started moving in and it looks to me like it's the business people and would-be politicians who are trying to cut up a fat hog.

SERMON CHALLENGES POWER OF SIN, DISEASE AND DEATH

God, infinite Life and Love, cannot be the author of anything unlike His eternal goodness, says the Sunday Lesson-Sermon in all Christian Science churches. The question "Are Sin, Disease, and Death Real?" will be the subject. Selections to be read from the Bible include this account of healing by Jesus from Matthew (8:2, 3), "There came a leper and worshipped him, saying, Lord if thou wilt, thou canst make me clean. And Jesus put forth his hand, and touched him, saying, I will: be thou clean. And immediately his leprosy was cleansed."

Ratner Recommends . . . have you heard the latest junk on wax? Yeah, that's right, Stan Freburg's latest and cleverest platter titled "Sh-Boom." And that's the record that Ratner Electric, 745 Broadway in downtown San Diego is recommending for this week. Also "Hold My Hand" by Don Cornell ranks high in sales at Ratner's.

Kid's Korn . . . But we really shouldn't call it corn, 'cause to the lil tykes the records they get are as important to them as ours are to us. And Ratner's has a lot of children's records that are easily purchased. A few samples are "Pinocchio," "Space Ship to Moon," "Sylvester," "David and Goliath," "Teddy Bear's Picnic," "The Lone Ranger," "Smokey, the Bear," "Ship Ahoy," "Peter and the Wolf," "Creepy, the Crawly Caterpillar," plus many, many others.

Welch's Wax . . . Welch's Record store has moved! As sad as that may sound, it's true. They are located next to Pt. Loma High School. And Johnny Welch told me that if you're over in that direction, stop in, by a few records, and get your card punched twice for every one record bought, so you will be able to get your free storage album you've probably been waiting for!

Did Ya Know? . . . that Kitty Kallen was dropped by Mercury as a bad risk about a year ago! Now DECCA has her and she receives \$10,000 per week for one-

MAYFAIR Is Synonymous With Market-wide Freshness

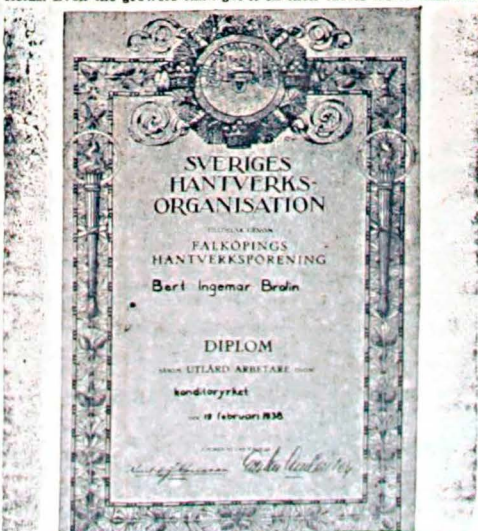

Mrs. Richard Kapp, 4020 James Street, together with her daughter Kathryn, are consistent shoppers at Mayfair. "We like freshness in vegetables as well as meat," Mrs. Kapp said. "We have the first time to buy anything at Mayfair that didn't measure up to our freshness demands."

Her husband is owner-operator of Leonard's Refrigeration Service on Adams Street. Four other of the couple's children are Leslie, Diane, Margaret and Constance.

Dale Martindale is manager of the Mayfair produce department. One of the young executives of a virile, growing Mayfair organization, it is his duty to see that produce is kept "minutes" fresh on Mayfair shelves and counters.

Mayfair Markets operate a truck network that collects and delivers produce grown locally the same day it is plucked from the fields. Even the growers can't get it on their tables faster than that!

The Swedish Bakery is operated by Bert Brolin and his wife. Brolin, before he and his wife came to America, was the royal baker to King Gustav of Sweden. It is so unusual to have a baker of this man's calibre baking exclusively for a single community that we brag of it loud and often.

His certificate, shown above, the equal of which in America would be a presidential proclamation, is from King Gustav, signed by the king, and proclaiming Brolin to be the finest baker in the land. Thus, baked goods, fit for a king, are available at Mayfair every day at prices you ordinarily pay for production line goods.

Moreover, you're invited to visit with Mr. and Mrs. Brolin and be escorted on a tour of their modern Mayfair bakery.

Mrs. John Koger, 6910 Waite Drive, together with Judith Henry, take advantage of the low price, high quality dewlike freshness of Mayfair produce.

"Actually, my husband, John, does most of the shopping," she said, "but as far as I'm concerned there is nothing that can compare with Mayfair. John is an ex-baker so you know what he likes here . . . the Swedish bake shop."

The couple have three children: Devana, Jolie and Barbara.

As freshness is important to fruits and vegetables that a market sells, so it is with sealed foods. While we feature the produce department this week, we want to point out that freshness does not stop with that department. Even in canned merchandise our stock control system is your guarantee that there'll be no out-of-date foodstuffs passed on to you.

When you open each container of Mayfair merchandise, the rewarding sight of kitchen fresh food greets you. These are some of the plus values of Mayfair shopping. There's always lower prices, too!

Lemon Grove P-TA Membership Drive Starts in 'Football' Style

Following a football theme, the membership drive at the Lemon Grove School P-TA "kicked off" Monday morning of this week at

the junior high. With Mrs. Bert Cosby as "coach," the drive started in the classrooms when members of the dramatics classes presented the story of membership to the students. Bulletins and membership envelopes were sent home with all sixth, seventh, and eighth graders in the school. A large bulletin board with

footballs representing the classes will show the scoring of the game during the two week drive. Individual football fields in the classrooms will show progress there.

At the close of the drive, cash awards of five, three, and two dollars will be given to the home-rooms with the highest percentage of membership.

In a recent membership poster contest, Howard Bryant of the 8-4 class won first prize for his original drawing. Kay Gullikson of 8-6 took second place. Gary Brage of 8-1 was third. Phillip Winkler of 8-2 was fourth, and fifth place went to Pat Harp of 8-2.

Honorable mentions went to Bonnie Pickens, Margie Lyons, Jeff Willis, Ruth Dilley, Larry Hutton, Judy Rank, Carol McKenzie, Brenda Epperson, and Sandra Mayo, all of the eighth grade class. The contest was conducted under the supervision of Mrs. Virginia Cornelius, art teacher at the junior high school. Winning posters are now on display in stores in the Lemon Grove business section.

ADDITIONAL CLASSES LISTED BY GROSSMONT ADULT SCHOOL

Classes in commercial subjects and in art are offered by Grossmont Adult School at various times and places in the community.

A Commercial Art class at Grossmont, room 44, on Tuesday at 7 p.m., is taught by Joanne Adams. China painting is offered by Mrs. Clara Deyo on Tuesday from 7 to 9:30 p.m. in room 45 on the Grossmont campus and is designed for the average individual as well as for the artist.

Willard Barkell of the Grossmont High School faculty offers a class in Salesmanship on Tuesday from 7 to 9:30 p.m. in room 14 at Grossmont.

Mrs. Edna M. McCormack teaches a course in Office Practice on Tuesday and Thursday evenings from 7 to 9 p.m., also on the Grossmont campus.

HELIX GIRL MARRIES SAN JOSE MAN

Lt. Cmdr. and Mrs. Bruce Q. Swinson of Port Hueneme, announce the marriage on Sept. 25, of their daughter, Evelyn, to Mr. John Bianchi, son of Mr. and Mrs. O. Bianchi of San Jose, Calif.

They were married in the Naval Chapel and a reception followed in the Officers Club at Port Hueneme.

The bride was attended by her sister, Mrs. Don Purdy, 2047 Imperial, as matron of honor and Miss Bennie Powell of 7506 Cuyamaca, as bridesmaid.

Evelyn graduated from Helix High last June. The couple met while she was attending school last year in Tokyo. They expect to make their home in San Jose after the honeymoon.

Presbyterian Church Changes Service Hours

Trinity Presbyterian Church changes time of service. Beginning October 10, the schedule of Sunday services at Trinity Church will be as follows: 9:40 a.m., Church Services and complete Sunday School program for beginners through Senior HI group; 11 a.m., Church Services and complete Sunday School for all groups except Junior HI and Senior HI groups. Adult Sunday School class during this period.

Scout Troop No. 171 enjoyed a 30 hour campout at Kings Creek Camp Ranch Sept. 24. Twenty four boys, with their leaders, participated.

On Tuesday the scouts will hold a Court of Honor at their regular meeting at 7:30 p.m.

Mayfair Market Hours Announced

Store hours at Mayfair Market, adjusted to conform with Standard Time, have been announced by Larry Childress, Lemon Grove market manager.

The market will be open from 9 to 10 on Friday. On the other six days the market will observe 9 to 9 hours.

The Mayfair meat department is closed at 7 p.m. week days and all day Sunday but meat items are available at all hours in the Mayfair delicatessen department, Childress pointed out. Such items as smoked meats, canned hams, sliced luncheon meats and the like are available at all hours, he said.

Highland Huddle

By ARVIS REED
Fourth Place Metro Leaguers Beat Second Place City Leaguers

Friday the Helix Highlanders paid back an old debt by massacring the Kearny Komets 13-0. This game will be one of many wins for the Highland Clan. Here are the players responsible for the win: Henry Bonilla, Sonny Beyer, Leon Kennison, Jim Hurst, Gary Dunn, Karl Jordan, John Pfister, Tom Welbaum, Allen Newton, Jim Waddle, John Bates, Ron Svalstad, Tom Simmons, Mel Robinson and many other fine players from Helix.

The Highlanders dominated the ball for four fifths of the ball game. At the half time Helix had made 135 yards to their aggressor's 60 yards. The game in itself was one of the cleanest this reporter has ever seen, with only three fouls called. But we can't forget to give credit to the three most important men on the field. They are: Coaches Maynard, Welbaum and Julian. These gentlemen did a terrific job with the team.

Kearny just couldn't be satisfied by being defeated in football but the Helix cross country team walked, or should I say, ran all over Kearny. Out of the first ten to cross the finish line, Kearny placed third and eighth. The boys from Helix placing are: Marc, Troshinski, Good, Herbert, Morl row, Sterling and King.

Here is your Helix coach of the week, Ken Maynard. Mr.

Maynard was born in Riverton, Utah. He began his football career as team quarterback for Jordan High in Sandy, Utah, and lettered on the varsity four years. After graduation he went to Brigham Young University where he won a freshman letter and three varsity letters in football. Ken Maynard became Coach Maynard at a high school in Thomas, Idaho. A year later, however, he joined the Army. While in the 66th Infantry Division, he played quarterback for the company team. After serving three and a half years, he went to Callexico High and became varsity coach and department head. He went to Grossmont High two years later where he was head line coach. This will be Ken's fourth year at Helix, and we expect to see him for many more.

The 62 acre development adjacent to Lemon Grove attributed to Walker Scott Corporation, San Diego, gives us a thought that New York interests like Macy, Gimbel, and a few more of them that we don't know, are interested. The outcome will be interesting—yet we have the idea that while local interests are given prominence, east coast participants are behind the entire deal. At this writing we hear that George Scott has already received 111 applications for business locations in the development, including one from a bank and another from a department store.

MEMBERSHIP DRIVE UNDERWAY FOR MT. HELIX P-TA

Throughout the La Mesa, Spring Valley, and Lemon Grove areas, the Mt. Helix Council opened its annual membership drive for all elementary P-TA units. Mrs. S. K. Soller, council president, has urged each unit to make an all out effort during the next two weeks to enroll every parent in this association which works with and for all children. In the Ninth District, which includes all of San Diego County, the goal has been set at 70,000 members. Mayor Butler of San Diego City has proclaimed the days from October 3 to October 15 as P-TA days and urges everyone to pay the 50 cents dues which includes membership in local, state, and national branches.

At the same time, Mrs. Robert Frost announced that membership drives are underway in all junior high and high schools in Foothills Secondary Council. Results of these drives will be announced later this month when all memberships will have been collected.

Robert Sutton, men's membership chairman, states that special emphasis is being placed this year on enrolling fathers in the units. Men are taking more and more active interest in P-TA work, with two men serving in this area as unit presidents.

FOUR HURT IN CYPRESS CRASH

Three women and a girl were hurt late Thursday when their auto plunged into a ditch at the sharp turn on Cypress Avenue. All were treated at La Mesa Hospital.

Involved were Rita Disano, 26, driver of the car; Lorraine Jackson, 14, both of 3051 Newton Ave., San Diego; Bea Avery, 29, 6744 S. Elman, Linda Vista, and Grace Ledette, 32, 2334 Kimball Lane, National City. Highway Patrol answered the call.

Briefs

Lemon Grove is a good example of a community with a serious "fringe area" problem. Leo Henrikson, La Mesa city attorney told nearly 100 persons who attended the first of a series of meetings on incorporation Tuesday night at the junior high school.

He advocated immediate incorporation as a solution. The meetings are being sponsored by Organizations United for Incorporation.

A small but enthusiastic group of businessmen attended the 2nd Success Drive luncheon Tuesday at Michael's.

They heard Burton Jones and Harold Starkey outline a plan that is designed to bring in about \$6,600. Lemon Grove's share of this year's goal.

Bob Sutton was chairman and Henry Goldy, owner of Michael's, picked up the tab on the lunch.

The Lioness' will hear the S. D. Gas & Electric Co. representative discuss home freezing at their meeting Wednesday at Michael's.

Dr. Robert Swenson and Freeborn Cressy, the former a dentist and the latter a merchant, were unanimously elected to the board of trustees of the Lemon Grove Chamber of Commerce Tuesday night.

They will fill unexpired terms of members who resigned.

!THE SHOW'S THE THING!

"Susan Slept Here" is a failure-proof picture if there ever was one. It is in technicolor and stars two very popular movie idols—Debbie Reynolds and Dick Powell. It is cleverly written for comedy relief. The companion feature is M-G-M's stirring adventure saga, "Valley of the Kings," starring Robert Taylor and Eleanor Parker. Both movies are well recommended by Motion Picture Herald magazine and will run through Saturday. Saturday's matinee feature full-length movie is a real slapstick tickler titled "Jack in the Beanstalk" and stars Abbott and Costello.

For the benefit of you people who don't know the fact, the GROVE theater would like to remind you that since the most recent opening the movie-house has been under new management!

Hey kids! Do ya wanta be able to sit the next time you go to a Saturday matinee? Then here's a suggestion! Simply go to the 11 a.m. show since more seats are available at that time, and the entertainment's the same!

Rumors have it that Ernest Hemingway's "Old Man and the Sea" will soon go before the cameras on the Warner lot with Spencer Tracy portraying the fisherman. . . . Jacques Seras was recently given the lead role in Warner's "Jump Into Hell," the story of the stand made by the French at Dien Bien Phu against the communists. . . . Looks like holy wedlock will soon be facing Eddie Fisher and Debbie Reynolds. . . . Dean Martin and his rib-tickling sidekick, Jerry Lewis, are at it again in their latest Paramount pic titled "You're Never Too Young."—B. T.

Two Grove Stores Quitting Business

The first sizeable business failure along Lemon Grove's main stem will be announced this week. The National Pharmacy at the northeast corner of Broadway and Imperial will liquidate its stock and fold before the end of the month. The store was opened four months ago by George Aposhian, well known San Diego drug store operator.

The stock, estimated by Aposhian to be valued at \$20,000, will go on sale later this week at 1/3 and 1/2 off Prescription merchandise will not be included.

Said druggist Aposhian, "The store did not create the volume of business we had hoped for. Effort to build it up took our attention from the Pacific Beach store and sales slumped there. Rather than to permit both stores to suffer, I decided to close Lemon Grove."

"I wish to express appreciation to those persons who gave us patronage," Aposhian added. Fixtures will be sold as the merchandise is cleared out.

Welch's Record Shop, 3455 Imperial, in the Grove Theatre lobby, folded as the month turned. Insufficient volume, reported the proprietors as the cause.

FIRE AUXILIARY ANNUAL DINNER PARTY HELD AT ROSE HEDGE MANOR

The Women's Auxiliary to the Fire Department held their annual dinner party last month at Rose Hedge Manor. Esther Alexander was in charge and a short business meeting followed.

Madge Carmondy was named vice president to replace Frances Tubbs, who is going to Washington on an extended visit. Honorary members, Varna Bender and Mildred Huebsch, were given pins.

Plans are to have mothers of junior fire chiefs as guests for the next meeting to be held on Tuesday at the fire house. Movies on fire prevention will be shown.

BAPTIST CHURCH SCENE OF P-TA COUNCIL MEET

Foothills Secondary Council P-TA will hold their first meeting Wednesday at 10 a.m. at the Baptist Church, Lemon Grove, corner of Main and Burnett. Mr. De Gross Plate will be the guest speaker regarding curriculum planning on the secondary level. Lemon Grove Junior High are to be hostesses.

Before we could get out of the lobby, however, this Demo-lawyer-Erk rushed up to me, to continue his diatribe and added that my mother was related to a dog, and that I was the excrement of a flock of chickens . . . and that I must step outside so he could prove it!

Somewhere in San Diego, there is a party-line Democrat who can brag that he defended the virtue of his political party in the dark recesses of a side street of the Cortez Hotel. School House is Theme as Square Dances Return to Spring Valley

Circle Eight celebrated their return to the "Little Red School House" at the Spring Valley Community Center. The walls were decorated with large gaily trimmed black boards on which were written appropriate phrases

and drawings. Giant sized yellow pencils hung from the ceiling as did assorted colored balloons. The decorating was accomplished by Lorraine Dobler's committee consisting of: Tom and Jean Smart, Ken and Louise Dobler, Bea and Blake Adams, Emma Thompson, Frank and Labelle Fischl and Frank and Ann Foster.

Professor Close presided in a black swallow tail coat and mortar board hat. He used a school bell to call sets in order and to

announce recess. On a table near the professor sat two large Dunces Hats as a warning to those not listening to the teacher.

All ages and types of children were represented in the style of dress of the members. Colored lollipops were passed out and dancers squared up according to the color of lollipop they had.

Guests enjoying the evening with us were: Wes Palmer and Della Salazar, Ron and Dee East, Red and Emily Reynolds, Carol and Len White, Carl Harpster, Kay and Bill Adams and Edith Elliget.

Vern and Joe McAttee and George and Helen Mayer became new members.

Coffee and sandwiches were available all evening and the kids really made them disappear.

Those assisting Professor Close with the calling were the school nurse and doctor, the superintendent, and truant officer represented by Juan and Don Frank, Ron East and Clarence Montgomery.

'Aladdin' Tickets Available Here

Mrs. William Beigle, 1640 Skyline Dr., has been named Lemon Grove area ticket chairman for San Diego Junior Theater pro-

ductions, according to Jack Harrington, managing director of Junior Theater.

Local residents desiring tickets or ticket information for "Aladdin" and the Wonderful Lamp, the season's first production, or to forthcoming plays, may obtain them from Mrs. Beigle. She may be reached at HO 6-9110.

"Aladdin" will be presented October 16, 17, 23 and 24 at 2:30 p.m. in the auditorium of Roosevelt Junior High School. It is the tale of a poor lad who possesses a lamp which not only gives off light, but also exudes a genie with magical powers. In accordance with Junior Theater policy, all roles will be played by youngsters between the ages of 8 and 18.

GROVE MAN MADE RIFLE INSTRUCTOR IN WASHINGTON

WASHINGTON, D. C.—Jack C. Graham, 7575 Central Ave., Lemon Grove, has been certified as an instructor for the Hunter Safety Course sponsored by the National Rifle Association of America here.

The new instructor will conduct the four-hour course in gun operation, safe gun-handling, techniques of shooting in the field and the safety responsibilities of

What is Incorporation?

continued from page 1

ly to expect that the city, if incorporated, would dissolve the fire district and assume its assets and liabilities. Such authority is vested in the act establishing the district.

What would people in the fire district but outside the corporate city limits do for fire protection if the district was dissolved? These areas would have to arrange for continued fire protection if they wanted it since dissolution would remove fire protection from any area outside the city limits. Arrangements could be made on a contract basis to the city of Lemon Grove or any other authority such areas would feel

all hunters. The Hunter Safety Course is part of a nation-wide education program now available to the outdoor sportsmen of the United States through the facilities of the National Rifle Association. The course was designed to allow all communities in the country to educate their young and inexperienced hunters on a volunteer basis.

could provide them suitably. Such a contract fee would be paid by the same method and at the same rate as the current fire district special assessment.

Tax Cost More

Will the city cost me more in taxes than I now pay? Yes, it will. But the reader should not stop there. Advocates of incorporation can demonstrate that certain savings will be effected in payments other than taxes. There are also other expenses than taxes involved in annexation, such as transportation fees for school children. There are also greater taxes, and related costs, in sight if no move at all is made. The thing for each individual to decide is if the package of services offered by incorporation, including some benefits not readily measurable in dollars and cents, is worth any additional cost that may accrue.

In addition, it is well to remember that property taxes are not the sole means of revenue for a city and that in addition to a city tax rate that may increase taxes, some savings will be effected to every home owner. One of these is reduction of gas and electric rates. An incorporated city is entitled to a slightly lower rate schedule for both utilities than is an unincorporated area.

How many cities are there in California? And how many have been incorporated in the last five years? There are 308 cities, six forming since 1949.

Since the tax rate is legally held at no more than \$1.00 per \$100 assessed valuation, isn't it possible for the city to raise the assessed value in order to get more tax money?

Theoretically this can be done. Politically it would not be a popular thing for the council to do. At the present time there are no cities in this county, and only two of 47 cities in Los Angeles county, doing its own assessing. Although cities are permitted to do so, it means dual assessment crews, rolls, and work since the county must determine assessed value for its purposes. Therefore, cities frequently adopt the roll as set by the county for the area within its boundaries. The service charge for this practice is obviously far less than the cost of an independent assessment scheme.

Tax Rate Eyed

Until La Mesa obtained a city manager, that city arbitrarily increased the county determined valuation before applying the tax rate. At one time the increase was 10% greater than original county values. What this meant was that house owners paid county taxes on their property at a lower value than was charged for city taxes. This practice is now abandoned.

When a city utilizes county tax rolls, it also can use the County Tax Collector to collect the taxes, again saving dual work and added cost. It is reasonable to assume that were Lemon Grove to incorporate it would follow in the pattern of the other county cities. In that case, values would be assessed by the county (just as now), the city tax rate levied by the city council (within the legal limit), billed by the county simultaneously with other levies, and collected by the county. Re the Proposed Annexation to the Lemon Grove Sanitation District.

Resolution of Intention to Annex Unincorporated Territory to the Lemon Grove Sanitation District and Notice of Hearing Thereon.

On motion of Supervisor Bird, seconded by Supervisor Howell, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County:

WHEREAS, Joseph A. Pergl, the owner of certain property in unincorporated territory of the County of San Diego contiguous to the Lemon Grove Sanitation District, has asked this Board (Document No. 174872) to annex said property to said Sanitation

District under the provisions of the County Sanitation District Act; and

WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 174-632); and

WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sever said property by extension of said District's lines (Document No. 174872); NOW THEREFORE

BE IT RESOLVED AND ORDERED:

(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the Lemon Grove Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

All that portion of the Unincorporated Territory of the County of San Diego, State of California

described as follows:

Beginning at a point in the center line of Massachusetts Avenue as intersected by the Western prolongation of the Northernly line of Lot 43 of Subdivision No. 3 of Tract 12, Rancho Ex-Mission, Map No. 859 filed in the Office of the County Recorder of San Diego County, said point being in the boundary line of the Lemon Grove Sanitation District;

1. thence Easterly along said boundary line and along said Westernly prolongation and the Northernly line of said Lot 43 to a point in the Easterly line of Pergl Terrace as shown on Map No. 2962 on file in the Office of the County Recorder of San Diego County;

2. thence leaving said boundary line South 0° 40' West 155.00 feet;

3. thence South 89° 16' West 160.00 feet;

4. thence North 0° 40' East to the Southernly line of said Pergl Terrace;

5. thence Westerly along said Southernly line and its Westernly prolongation thereof to the center line of said Massachusetts Avenue;

6. thence Northernly along said center line to the point of beginning.

(b) That said Sanitation District following said annexation

shall continue to be known by that name;

(c) That the Board of Supervisors hereby sets Tuesday, the 26th day of October, 1954, at the hour of 11:45 o'clock a.m. in the Chamber of the Board of Supervisors, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place fixed for the hearing of objections to the annexation of said territory to said District, or to the extent thereof.

(d) That the Clerk of the Board of Supervisors is hereby authorized and instructed to publish this resolution of intention and notice of hearing thereon at length in at least two successive issues not more than 30 nor less than 10 days prior to the time of said hearing in the Lemon Grove Review, a newspaper of general circulation in the County of San Diego, in the territory proposed to be annexed, and in said Sanitation District.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 21st day of September, 1954, by the following vote:

AYES: Supervisors Gibson, Bird, Robbins, and Howell
 NOES: Supervisors None

Throwin' The Bull

By Bob Turnbull

Smile... Mrs. White (over the back fence): "I don't like to repeat gossip, but what else can you do with it?"

— "Saint Joan" by George Bernard Shaw will be played by the San Diego Junior College's play this fall. Mr. Charles M. Newman, head of the speech arts department and play director, announced last week. The play will be produced on November 18, 19 and 20 and will have a cast of 35 including five females. The play concerns the life of Saint Joan of Arc who led French troops against the invading English during the fifteenth century. The finale is concluded with an unusual epilogue.

Radio station KSDS started its fourth year of broadcasting on Sept. 20. Opening on a Monday through Friday schedule, the "Voice of the San Diego City Schools" is located at San Diego JC and is on the air from one to three p.m., and can be located at 88.5 megacycles on the FM band. Some of the highlights of the programming are news and sports, a daily, a guest star by tape recording twice a week, and high school and JC football. Each Friday afternoon a dramatic program will be broadcast.

The fifth annual Optimist Bowl Football game between the San Diego Junior College Knights and El Camino College is scheduled for October 9 (this Saturday eve) at 8 p.m. in Balboa Stadium. San Diego JC song and cheerleaders for 1954 and '55 were elected last week. Head cheerleader is Lorenzo Smith, with Gary Covert and Jim Slemmons working under him. Josie Vera is head songleader and Joann Flendin, Yvonne Gardner and Marta Kern round out the list. Carol Covert graduated from Helix last year.

The Globe theater's annual Atlas Award for the best character actor this year was presented to Mr. Charles M. Newman, head of the speech arts department at San Diego JC. An all-time high enrollment of 3,095 full and part time students are attending San Diego JC this fall semester compared to last year's 2,364. Which means an increase of 731 students in the length of only a year.

Under the capable coaching of Ivan Olsen, SDJC's grunt and groan roughies have started their workouts at the police gym. The team features three Junior AAU champs!

Our Helix High... Helix's A.S.B. play for this year will be "Meet Me in St. Louis." Any student who is a member of the California Scholarship Federation (C.S.F.) should get an application in room 15. Remember, extra curricular activities count. Hey you Highland Lads and Lassies! Get your green and grey yarn dolls to wear at the games from any Heatherette member—only 25c per pair. Don't forget about the football game tomorrow night at the Helix stadium where the Lincoln Hornets of the City prep league challenge the Helix Highlanders of the Metro league. Game time is at 8 p.m. with the half-time specialties provided by Helix. Also an after game dance follows the Helix victory. Optimism rides high with your truth after last week's surprising 13-0 victory over favored Kearny High of the City league.

Football Footlites... Pasadena's rout of San Diego proved nothing! San Diego High had an injury riddled team, especially in the backfield. Pasadena out-dazzled San Diego High with their ostentatious movements. Chuchos certainly surprised the Point Loma Pointers last week scoring a one-sided 20-6 victory over the highly touted Lomans. The C. V. Spartans racked up 252 yards on the turf by constantly plowing through the Pointers' plegmatic line. JC Bruins lose to the Phoenix JC Bruins was in a small way, a victory. The game showed that the Knights do have an offense! The game was lost on breaks! The Phoenix '11' was favored, and as he score indicates (14-13), they almost crawled home with their heads buried in the crying towel. The league games start soon, and I think we're going to start rolling now that we're playing as a unit.

Last Minute Quips... To whom it may concern: There is no relation whatsoever between the REVIEW's advertising manager, Oliver S. Turnbull, and the REVIEW's teen-age writer, Bob Turnbull. It's merely a strange coincidence that two people with such an unusual name work under the same roof. I think that this is also a coincidence! Remember the editorial I wrote in my column about a month ago concerning the road department's poor efforts around Lemon Grove? Three days after the paper came out ten men were busy repairing Kempf St. My address you ask? 3251 Kempf St.

Paula Nill Attends Mills College

Enrollment roster for the 1954 fall term at Mills College includes Paula Nill of Lemon Grove.

The local girl, who will join freshman ranks on the Oakland campus this month, is a graduate of Helix High School, La Mesa.

She is the daughter of Mr. and Mrs. Paul S. Nill, 6740 Hibiscus Dr., Lemon Grove.

Classes officially get under way at Mills on September 28. Formal freshman installation ceremonies are scheduled for Monday evening, October 4.

JUVENILE DELINQUENCY PTA TOPIC

"A Specific Approach to Delinquency Prevention" was the topic discussed by Kenneth Anderson at the first meeting of the Lemon Grove School P-TA last Tuesday evening at the junior high auditorium. Anderson, who is connected with the Department of Social Services, San Diego City, stressed the great need for early recognition of delinquent behavior and the important role played by parents in preventing such behavior. He was introduced by Peg Darroch, program chairman, who also presented Darlene Wallace, Helix High student. Miss Wallace entertained the large group of parents and teachers with two piano solos.

Following the introduction of teachers and the executive board, Ben I. Schei, school principal, welcomed the parents of the sixth, seventh, and eighth graders. Mrs. Bert Cosby announced the opening of the P-TA membership drive this week. The association budget, as read by Mrs. Charles Whalen, auditor, was approved.

A new engraved cup, presented each month to the home room with the largest number of parents present at the meeting, was won by Mrs. Darroch's 8-3 class. Hostesses for the evening were the room representatives of the 8-3 and 8-4 classes with Mmes. Billie Burke, John Madsen, John Garcia, and John Hale.

The next meeting of the P-TA will be a joint meeting with other associations in Foothills Secondary Council at the La Mesa Junior High, Thursday, October 28. At that time a representative from the state association will be guest speaker.

On Guards at Four Prisons

The state will fill openings for guards in four correctional institutions through a civil service examination.

The new correctional medical center at Vacaville, to be opened next spring, will be staffed from among men passing the examination. Other institutions where jobs will be filled are Folsom, Chino and Soledad.

The guard job is officially known as "correctional officer" and has a salary range of \$310 to \$376 a month.

CHARLES GURLEY
Public Information Chairman
HO 6-3745

Next Monday, October 11 at ten o'clock the Lemon Grove branch of the Red Cross will hold its regular monthly meeting in the Woman's Club, announced Mrs. G. R. Roberts, chairman of this group yesterday.

"We wish to urge every Red Cross member in this community to attend these meetings so you will be better acquainted with the work we are doing here and quite probably you may also wish to take a more active part in this program. Everyone who has given even as little as one dollar is a member of the Red Cross, whether he knows it or not, and will be welcome to attend," said Mrs. Roberts.

SGT. NORMAN LUNNEY GRADUATES FROM N.C.O. SCHOOL

MUNICH, GERMANY — Sgt. Norman F. Lunney, 28, son of Mr. and Mrs. Marion R. Hernandez, Lemon Grove, recently was graduated from the Seventh Army Non-Commissioned Officer Academy in Munich, Germany.

A truck master assigned to the 37th Ordnance Company, he successfully completed a five-week course in the leadership of units, map reading and other military subjects.

Sergeant Lunney has been overseas since December, 1952.

His wife, Leona, is with him in France.

HERB CAEN, S. F., columnist—

"The world might be in a crisis, and oblivion might be waiting around the corner—but all a guy wants right now is a place to park."

... the Sunday Must!

This is the final winner in the current Lemon Grove Camera Shop-Review snap-shot contest. Winner is Oliver Turnbull, 3215 Par Dr., who caught his grandchildren studying seriously the Sunday paper as they waited to be taken to Sunday School.

Left to right are Stephen, Ronald, Richard (twin to Stephen) and Emily Turnbull.

A new series will be started in the Review early next year. Pictures taken any time prior to the contest's start will be eligible.

Advertising Doesn't Cost. It Pays.

Do you want a peking red telephone to match your draperies, or a yellow one that will blend well with other yellow tones, from lighter lemon shades to buffs and browns?

A limited supply of eight different colors is now being received by the local telephone business office for the first time.

Colors include green, beige, yellow, ivory, brown, blue, gray and red. The ivory sets are proving most popular, largely because they are designed to blend well in offices or rooms finished in light colors, such as the bedroom or the kitchen.

Forrest Dokken, Lemon Grove manager of the Pacific Telephone Company in La Mesa, says there is a waiting list for all colors, due to the heavy demand. There is also a \$10 installation charge.

He said a full complement of eight colors is now being manufactured for the first time, because the company has been centering its production schedule on other items due to the unprecedented demands for service since the war. Four colors were available before the war, he added.

Civil Defense

By CHARLES GURLEY

Self preservation is now the Civil Defense order of the day, according to a statement issued by Dr. Frank B. Gigliotti, Zone Warden for the Lemon Grove area yesterday.

"Even as Jesus said, 'Love thy neighbors as thyself,' we now interpret this as meaning, united we stand, but disorganized we will be disintegrated, and we will fare much better if we all pull together," said Dr. Gigliotti.

"Under the direction of Roy Nielsen, one of our Zone Wardens in charge of our engineering problems, and with the assistance of Fire Chief Hensley, a rescue squad of eight members is being selected. This group will have the responsibility for any shelters that are privately built or any dispersal of the populace at any time one should be made," he said.

This was just one of the interesting developments that was discussed at the Civil Defense meeting held last Tuesday evening at the Youth Center.

Read Proverbs 3:13-20 or Matthew 13:44-48

The Kingdom of heaven is like a merchant in search of fine pearls. (Matthew 13:45 RSV.)

Never shall I forget a visit I paid to Kano, in northern Nigeria. It is the southern gateway to the

Sahara. In the famous market place, my companion halted me before a stall and introduced me to an Arab trader. Spread out in the open air was a collection of beads and colored glass. I dismissed the entire stock as valueless.

As we turned away, my friend said, "You thought that stall had nothing but rubbish, and this morning you were right. Nine times out of ten you would be right. But occasionally that stall includes among its rubbish a jewel from a Pharaoh's tomb. When that happens, if an expert is present, he can pick up a fortune for a few shillings."

So also is the kingdom of heaven. People undervalue it. As a result, they miss the best. With God's help through Jesus Christ, anyone can be enough of an expert to discover the value of the kingdom of heaven.

Prayer
O God of all grace, forgive us, we pray Thee, for our indifference and our blindness of heart. Help us to recognize Thy glory everywhere. As we see Thee today in the lives of our fellows, enable us to worship Thee by serving them. We ask this in the name of Jesus. Amen.

to agree with the majority that O'Doul is a great manager, after all, as we used to say in Brooklyn. "We win the pendent, don't we?" Nevertheless, we still think it wasn't too astute to bench Dick Sisler so much of the time. Could have wrapped up the flag two weeks sooner with him in there every day, says we.

Kenny Hall, owner of Hall's Service Station on Broadway (also owner of a new 88) tells us he really roughed it last week—

drove to the Colorado River in a standard shift.

We went dove hunting a couple of weeks ago on the Old Warner Ranch near Warner Hot Springs. In driving along the old Butterfield Stage Route we wondered if maybe somebody didn't sell somebody a bill of goods about Hiway 80 being the best level route from the Imperial Valley. Doesn't appear so to us, but we're not an engineer. But if we lived in the northern part of the county we sure would yell for a survey of that route before more millions were spent on Hiway 80.

my neighbors as saying that we are citizens who were here before business came, that we are all local voting residents and that we will fight against and vote against incorporation," O'Malley added.
O'Malley went beyond his own neighborhood for additional viewpoints, he said. He conducted his own private man-in-the-street program early this week.
Here's what he reported the answers to his incorporation question to be:
Leo C. Stanger, 3836 Harris St., insurance man, "I am definitely against incorporation because of

the local petty politics."
O'Malley reported that a cafe owner friend of his claims that incorporation would increase his taxes to about \$100 a month. "He is one of the largest contributors to the 'fat hog' fund in town," O'Malley stated. "It seems to me that a lot of people are supporting incorporation who don't want it. That's why I'm going to make my soap-box pitch against it. Even if it would reduce my taxes \$25 a year like they say, I still don't want it. I'd give \$50 a year extra to keep from being incorporated."
O'Malley said that he does not attend any of the public meetings that are being held and that he does not plan to form an organi-

THREE WRITERS TO INSTRUCT AT LOCAL SCHOOLS

Three instructors to teach creative writing is offered this semester by Grossmont Adult High School.

Mrs. Claire Goldsmith, former newspaper editor, member of the National Press Women's Association and editor of a book, "In the Shadow of the Square," teaches Wednesdays at Grossmont and Fridays at Porter Park.

Ernest Rydberg, author of several novels and who has had material published in "Country Gentleman" and "American Girl" conducts a writer's workshop on Wednesday. Mrs. Huntington, free

lance writer, has taught at Simmons College and San Diego Junior High.

Mrs. Lucille Huntington, a free-lance writer, has taught at Simmons College and San Diego Junior High.

BILL LAIR IS IN INDO-CHINA

—INDO-CHINA—William S. Lair, sonarman first class, USN, son of Mrs. Loretta M. Palmer, 6947 San Miguel, aboard the high speed transport USS Cavallaro, recently arrived here to participate in operation of "Passage to Freedom."

Hundreds of thousands of loyal French and Vietnamese citizens are being evacuated from the communist held Tonkin delta.

"Passage to Freedom" is being conducted at the request of the French and Vietnamese governments. Ships of the Amphibious Force Western Pacific are moving, feeding, and providing medical facilities for the refugees.

G. G. AVAILABLE BY PRESCRIPTION SOON

Gamma Globulin, for the prevention of paralytic polio, measles and infectious hepatitis, will be available on doctors' prescriptions through regular medical supply channels after October 1, it was announced today by Lederle Laboratories. Heretofore the protective blood fraction has been allocated by the Federal Office of Defense Mobilization to local departments of health for use in polio epidemic areas only. The processed supply of gamma globulin available to physicians this year, though still very small, is approximately twice as large as last year's supply.

In a report to physicians sent out this summer, Dr. Kenneth S. Landauer, Assistant Medical Director, National Foundation for Infantile Paralysis, points out that "gamma globulin is the only proved weapon now available to physicians for prophylaxis against paralytic poliomyelitis."

State Seeking Analysts to Help Set Milk Prices

Three new job classifications have been established by the State Personnel Board to study dairy farm operations and conduct surveys on the cost of milk production and cattle feed.

The job titles and monthly salary ranges are milk production cost assistant, \$310-\$358; milk production cost analyst I, \$341-\$415; and milk production cost analyst II, \$415-\$505.

Each position requires either college graduation with major work in farm management, dairy industry, agricultural economics or animal husbandry, or extensive experience in milk production and quality control.

The personnel board also announced three other pending civil service examinations: case work consultant, \$481-\$584, application deadline October 8; food service supervisor II, \$310-\$376, September 24; and field worker for the blind, \$310-\$376, October 1.

Official application forms and additional information may be obtained from the Department of Employment on Columbia St.

State Sets Exams For Library Posts

The first examinations for two new state civil service classes, Librarian II and Librarian III, have been scheduled by the State Personnel Board.

The Librarian II position carries a salary range of \$341 to \$415 a month. Requirements are two years of professional library work, including cataloging, reference work and selection of library materials, plus college graduation and completion of one year of graduate study in an accredited library school. Additional approved library experience may be substituted for up to three years of the required education.

Librarian III at this time is open to men only. The class will be used chiefly to fill openings in the state's correctional facilities. The class has the same requirements as Librarian II, except that three years of experience are required, and they must be of an increasingly responsible nature. The salary range is \$376 to \$458.

Official application forms and additional information are available at Department of Employment offices on Columbia Street.

NEWLY FORMED DEMO CLUB TO HEAR DR. JANSSEN
